

Company History

Mythikos, the Greek word for fabulous, embodies the essence of what every mother possesses within. Whether she knows it or not, there is a world-class superhero inside of every mom.

At Mythikos Mommy, our goal is to empower all women to be the best, most fabulous moms they can be from the inside out. It is time to put all of the lame excuses aside. Better yet, throw them out with the poopey diapers! Mythikos Mommy is here to dispel the myth that you should put yourself last. We believe that in order to be a great mom, you must first be good to YOURSELF.

The Mythikos Mommy strives to be happy and healthy mentally, physically, emotionally, and spiritually. She comes in all shapes, sizes, colors, and styles. Like the perfect handbag, she is versatile and serves many purposes but must always be treated well in order to retain her luster. The Mythikos Mommy can be found in the boardroom wearing the hottest Jimmy Choo's, Chanel suits, and flawless makeup OR wearing a t-shirt, jeans, and Chucks at the park with the kids. While she recognizes that her outer appearance is important and works hard to avoid the bad hair/clothes day, she also understands that being Mythikos is an invigorating state-of-mind and attitude.

We acknowledge that motherhood is not for suckers or the faint-of-heart. It is the hardest and most powerful job in the world. However, as modern day superheroes, we rise to the challenge every morning declaring, "No matter what happens today, I WILL STAY FABULOUS THROUGH MOTHERHOOD!"
